**Hospitalist, Urban Health Infection Unit (8A)**

### **Position Summary**

Within the context of a patient and family-centered model of care, and in accordance with the Mission, Vision, Values and strategic directions of Providence Health Care ("Providence"), the Division of Infectious Diseases (Department of Medicine) is seeking hospitalists at St. Paul's Hospital (Providence) for the Urban Health Infection Unit (UHIU), located on ward 8A.

**Job Summary.** The UHIU provides care for a broad range of infectious diseases, including patients with HIV/AIDS, and substance use disorders (e.g., pneumonia, vertebral osteomyelitis, endocarditis). UHIU is a 24-bed ward with a multidisciplinary care team. There is flexibility for both part-time or more full-time employment. Shifts are days (8:00 am to 5:00 pm; or 9:00 am to 6:00 pm), 7 days/week. Clinical support is available from the other hospitalist and the infectious diseases physician assigned to the unit on any given day. The unit is staffed with a multidisciplinary care team which is well connected to a wide range of community services and outpatient clinic facilities. SPH is an academic centre providing the staff opportunity to interact with trainees rotating through the unit and to take part in various educational sessions.

### **Qualifications**

Eligible candidates must be licensed (or eligible for licensure) with the College of Physicians and Surgeons of British Columbia (CPSBC), have Family Medicine (CCFP) certification (or equivalent), and ACLS certification.

The successful candidate will also exemplify Providence's values and contribute to a culture of equity, diversity, and inclusion. In addition, Providence is committed to our responsibilities on Truth and Reconciliation. We hold ourselves accountable for making our care, facilities and services a safer experience for Indigenous patients, residents, families, staff and Medical Staff.

### **Why PHC**

Providence is a non-profit Catholic organization that provides services in partnership with Vancouver Coastal Health and the Provincial Health Services Authority. At Providence we embrace compassionate care, social justice, and innovation while delivering medical services to vulnerable populations across Vancouver and its neighbouring communities. Providence is committed to building a culture of equity, diversity, and inclusion where the staff and Medical Staff – both current and prospective – feel welcomed, valued, and supported to thrive in their work. As we look towards the future, we are led by four strategic pillars: quality-forward, people-forward, learning-forward, and partnerships-forward. We invite you to join us as we work towards building the future of healthcare in British Columbia.

## How to Apply

To build a strong and representative workforce, we encourage physicians from all backgrounds to apply. We are deeply committed to diversity within our community, and welcome applications from Indigenous persons, people of colour, persons with disabilities, persons of any sexual orientation or gender identity, and others who may contribute to the further diversification and inclusion of ideas, practices, and ways of knowing that can improve our care and services.
