

Leadership Development Spring 2025 Offerings

For Medical Staff

PQI Level 2 Intermediate Training

February 20-21, 2025 from **12:30 p.m. to 4:00 p.m. via Zoom.**
CPD Credits: 6.2 MOC / Mainpro+ Section 1 credits

Have a pebble in your shoe you want to discuss? Sign up for an interactive virtual workshop, spread over two half-day sessions to dive deeper into the world of quality improvement.

Facilitating Successful Meetings

March 5, 2025 from **4:00 p.m. to 5:30 p.m. via Zoom.**
CPD Credits: 1.5 MOC / Mainpro+ Section 1 credits

Tired of unproductive meetings? Looking to strengthen your facilitation skills? Sign up to learn how to engage others and navigate meeting dynamics.

PQI Level 3 Advanced Cohort Training

August 2025 to May 2026, hybrid synchronous sessions.

Have a QI project you want to tackle? Sign up for the 10-month cohort training program and gain full support from the QI team, including data support. Intake closes January 20, 2025.

Self-paced e-learning

VCH Medical Leader Regional Orientation

CPD Credits: 2.5 MOC / Mainpro+ Section 3 credits

Are you in a new medical leadership role? Sign up to gain high-level, regional information organized in a phased-approach, and an understanding of where to go for additional information.

Psychological Health & Safety at Work

CPD Credits: 2.0 MOC / Mainpro+ Section 3 credits

What is Psychological Health & Safety? Sign up for an overview of the Canadian National Standard and 13 psychosocial factors that are key for psychologically healthy and safe workplaces.

Available for Medical Staff and Medical Leaders.

Physician Quality Improvement Level 1

Interested in improving health care? Register online for an overview on quality improvement through the Institute for Healthcare Improvement's Open School.

For Medical Leaders

Mastering Difficult Conversations

April 23, 2025 from **9:00 a.m. to 5:00 p.m. in person.**
CPD Credits: 6.5 MOC / Mainpro+ Section 1 credits

Seeking to improve your communication skills? Sign up to feel more confident taking on conversations that are important to hold in your leadership role.

Finance 101

June 11, 2025 from **4:00 p.m. to 5:00 p.m. via Zoom.**
CPD Credits: 1.0 MOC / Mainpro+ Section 1 credits

Seeking answers to money-related questions? Sign up to learn about the budget cycles, payment models and project funding that affect your medical staff.
